SUNDAY BEST (Pletscher)

For 1949—"Sunday Best"—the glad with a great commercial future. A tall consistent and vigorous grower producing 100% cuttable spikes. Its sparkling clear light lavender rose color blending to a rich creamy throat makes it an immediate hit with every one. "Sunday Best" opens to the last bud when cut tight and has proven itself as a shipper. We feel that "Sunday Best" will become a must have for all cut flower growers and shippers and we take pride in introducing it. On the show table it will soon become a consistent winner.

VITAL STATISTICS—A clear light lavender rose blending to a rich creamy throat much on the shade of apple blossoms when they first open. Opens 6 to 8 consistently well placed blooms 5" to 5½" in size. No crooking, flecking or misplacement. Attachment is very good. Unusually healthy and vigorous with heavy propagation and germination. Flower head of 25" to 30". Makes fine spikes from # 5's and 6's.
